

Match Report

Summer 2013

This season was a great success for teams who play the in Notts Short Format league. Mens 1 were Division 1 Champions, winning the League and Mens 2 were promoted into Division 2. The Ladies teams also had success, Ladies 1 were promoted into Division 1 and Ladies 2 were promoted into Division 2.

Unfortunately the winning formula didn't translate into the Mixed team who were relegated from Division 1.

AEGON Team Tennis

The Park Men had a fantastic performance in the AEGON tournament and won the Nottingham League, giving them opportunity to compete regionally.

Winter 2013/2014

Having been promoted the previous season (2012/13) into Division 3, the Men's team were able to secure a solid mid-table performance during 2013/14 to ensure they stayed up in the division.

Ladies 1 had been promoted in 2012/13 to Division 3, but unfortunately have dropped back down to Division 4, with Ladies 2 also being relegated into Division 6. The Ladies try to run 2 teams in the winter and unfortunately during this season were unable to achieve consistent results as a consequence of the limited availability of players to play in both teams.

Indoor League 2013/2014

The Indoor League played at the Tennis Centre is a very popular and enjoyable format played during the winter.

At the end of the season; Park 1 maintained their position in Division 3 with another solid mid-table performance; Park 2 have been promoted into Division 5; Park 3, after promotion into Division 6 in 2012 were unfortunately unable to maintain the momentum and have dropped back down into Division 7.
