

Tennis Champions Wanted in Nottingham!

Do you have a **passion** for tennis and want to **help other people** try the sport?

Do you want to **volunteer** and **give something back** to your community?

Do you have the **passion, enthusiasm and time** to help others?

If so, we want to hear from you! **The LTA (Lawn Tennis Association)** are currently recruiting a team of **Tennis Champions in Nottingham** to support our Community Tennis Officer and **get more people in Nottingham playing tennis!** This is a great way to **get involved** in your favourite sport and **enhance your CV**. It is a **rewarding opportunity** which will help you to engage non sporty people in tennis in your community.

You will be **an ambassador** for Tennis in Nottingham – **changing perceptions, spreading the word** about how great tennis is and how people in Nottingham can get involved. Your work will help **raise awareness** and **enrich people's lives** through tennis.

This could be through **social media** – tweeting and sharing our work on Facebook. This could be through a fitness or tennis **blog**. This could be through **putting up posters or handing out leaflets**. This could be through **helping to maintain a facility** and making it a pleasant place to play.

If you are interested or would like more information please contact our Community Tennis Officer, Suzzi Garnett on – 07753428641 or Suzanne.garnett@lta.org.uk
